Re: Public Records Act Request regarding a copy of all responsive records for California Public Utilities Commission's (Commission) Public Records Act Requests (PRAs) #19-99, 19-43, 19-32, 19-219, 19-73, 18-547, 18-627, 18-541, 18-542, etc. CPUC Reference No.: PRA #19-252

Dear Sir/Madam:

On May 13, 2019, you asked the Commission to provide you a copy of the following:

“To whom it may concern:

Pursuant to the California Public Records Act, I hereby request the following records from California Public Utilities Commission : - All responsive records for requests 19-99, 19-43, 19-32, 19-219, 19-73, 18-547, 18-627, 18-541, 18-542. - All formal CPRA determinations you made to those requestors, i.e. a description of which requests you did or did not possess responsive records, and what records you did or did not withhold, and the statutory justification for any withholding/redaction. We have no interest in the identity of the requestors themselves and that may be withheld/redacted.

If you have waived CPRA exemptions by providing any records to other members of the public, please also provide them to us without additional withholding/redactions. Since you should not have to additional redaction, we expect this request to be quick to fulfill. Please provide records on a rolling basis if possible.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not. MuckRock.com lets you upload responsive records directly, email me if that route is preferable (its best for us).

Thank you in advance for your anticipated cooperation in this matter.

I look forward to receiving your response to this request within 10 calendar days, as the statute requires.

Sincerely,
Anonymous Person
